USB-A to Type-C adapter for Token2 FIDO security keys or USB tokens

Part no: USB_TypeC · T2-40

Description

USB-A to Type-C adapter for Token2 FIDO security keys allows using our FIDO keys or USB tokens with devices without classic USB ports. Made out of durable aluminum alloy, the mini adapter comes in black color and a keyhole, so you can attach it to your Token2 FIDO security key

Designed to be both sleek and highly functional. Made out of high-quality aluminum alloy to be drop-shock resistant

- Allows using your Token2 FIDO security key or Token2 USB Tokens on any device with any type of USB ports, macBooks, Windows and Android phones with Type-C USB ports.
