USB-C to USB-A Adapter

Part no: TypeCTypeA · T2-107

Description

Looking to use your FIDO2 Type-C key with devices that only have USB Type-A ports? Our FIDO2 USB-C to USB-A adapter makes it possible!

This adapter is specifically designed to connect your FIDO2 USB Type-C key to any device with a USB Type-A port, enabling secure and convenient authentication. With its durable construction and easy-to-use design, this adapter ensures a seamless experience every time you authenticate with your FIDO2 key.
